

First, I'd like to thank my daughter and best friend Kelly, for agreeing so readily to write a song for people who have been special to me all these years. We had more fun working on these lyrics! I have also included a couple of other songs that my daughter has recorded which are very meaningful to me.

“My Funny Valentine” is one of my favorite songs of all time, and I hope you enjoy my daughter’s rendition as much as I do. “Heaven’s Light” is a song Kelly co-wrote while she was singing back-up with Gladys Knight. It was included on a gospel album by Gladys that received a Grammy award. This song is one of those that I put on when I’m spiritually low and am in need of a lift. I wanted to share these personally meaningful songs with all of you, my forever friends. With much love and hugs. ~Betty

I was so happy to be able to use my “gift” of music to do something special for my wonderful mother and the special people in her life. It was my pleasure to write “Memory Lane” with my mother, and I hope this song will give you much joy. ~Kelly

Bridge:
Let's Twist Again, like we did last summer at the junior-senior prom
We all danced at the U of A ballroom, can you still hear your favorite song
Now here we are, at our graduation marching proudly to pomp & circumstance
And although, it's 50 years over, I'm so glad we had the chance
To be in the Amphi class of 1960
Verse:
There's so much more we could talk about like pantherets and lettermen
And goin' to Phoenix on Senior Ditch Day, it's hard to know how to end
There were slumber parties and senior follies and the "toilet paper gang"
There was carhop service at Sandy's Drive-In, a favorite place to hang
We will never forget all the fun we had, we were young and fancy-free
We hope this song helps you think about your very own favorite memory
Chorus out:
In the Amphi Class of 1960
We sure had a ball, though we knew it all
Together we'll enjoy walkin' memory lane, the class of 1960
The class of 1960
All forever friends, that will never end
Let's continue on down memory lane, the class of 1960
In the Amphi Class of 1960
We sure had a ball, though we knew it all
Together we'll enjoy walkin' memory lane, the class of 1960
Remember Rodeo Week, all the girls could wear pants
Let's continue on down memory lane, the class of 1960
Recorded September 2010, Seattle, at Pony Boy Studios by Greg Williamson

“MEMORY LANE (Amphi Class of 1960)”
by Kelly Conelly Eisenhour and Betty Sage Conelly
Chorus:
It's the Amphi class of 1960
We sure had a ball, though we knew it all
Let's all take a walk down memory lane, the class of 1960
Verse:
A poodle skirt with a great big hoop, a pretty scarf on my ponytail
I run to my locker and open it up ignoring John and his new ducktail
In Lemaglio's class we will only whisper so he'll turn up his hearing aid
Mr. Jordan will tell such corny jokes but we'll laugh to get a good grade
Mrs. Baker likes to scold for dancing too close
Mr. Crans doesn't like his nickname (Shark)
Mr. Funk made choir fun, and we all loved Miss Sullivan
Chorus:
This is the Amphi class of 1960
We sure had a ball, though we knew it all
Let's all take a walk down memory lane, the class of 1960
Verse:
Gonna break the record drivin' round and round tonight
Then listenin' to Elvis at the end of Campbell
Well, we were only lookin' at the city lights
Or we'd pack in the car to the drive in movie
Getting 8 in a little fiat
Or we'd cruise down speedway, just to be seen
Might have a smoke hopin' not to get caught
Tomorrow after school it's fires at Johnnie's
And soon the big turkey day rivalry game (boo Tucson High)
We cheered with the cheerleaders and Pepe the Panther and everybody came
This is the Amphi Class of 1960
